In case the Oversubscription Option is partly exercised or not exercised at all during the Offer Period for the Initial Offer Shares, the Series 2 Preferred Shares under shelf registration will automatically be increased by such principal amount of Oversubscription Option shares that will not be taken up or exercised.

The Initial Offer Shares shall be issued under the 533,333,334 Series 2 Preferred Shares Shelf Registration of the Company (the “**Shelf Registration**”), at an offer price of ₱75.00 per share. The Shelf Registration was rendered effective by the Securities and Exchange Commission (the “**SEC**”) on October 12, 2020. This Offer Supplement contains the final terms of the Initial Offer Shares and must be read in conjunction with the Prospectus dated October 8, 2020 (the “**Prospectus**”). Unless defined in this Offer Supplement, terms used herein shall be deemed to be defined as set forth in the Prospectus. Full information on the Issuer and the Offer is only available on the basis of the combination of the Offer Supplement and the Prospectus. All information contained in the Prospectus are deemed incorporated by reference in this Offer Supplement.

SMC has an authorized capital stock of ₱30,000,000,000.00, divided into 3,790,000,000 common shares, 300,000,000 Series “1” Preferred Shares, and 1,910,000,000 Series “2” Preferred Shares all with par value of ₱5.00.

Following the Offer, assuming the Oversubscription Option is exercised in full, the Company will have the following issued and outstanding shares: (a) 2,383,896,588 common shares; (b) 255,559,400 Series 2-C preferred shares; (c) 134,000,100 Series 2-E preferred shares; (d) 223,333,500 Series 2-F preferred shares; (e) 66,666,600 Series 2-G preferred shares; (f) 164,000,000 Series 2-H preferred shares; (g) 169,333,400 Series 2-I preferred shares; and (h) 266,666,667 Series 2-J preferred shares.

The holders of the Series 2 Preferred Shares do not have identical rights and privileges with holders of the existing common shares of the Company. Any and all preferred shares of the Corporation shall have preference over common shares in dividend distribution and in case of liquidation or dissolution. For further discussion on the rights and privileges of the Series 2 Preferred Shares, please refer to the section on “*Description of the Offer Shares*”.

The declaration and payment of cash dividends on the Initial Offer Shares on each Dividend Payment Date (as defined below) will be subject to the sole and absolute discretion of the Issuer’s Board of Directors (the “**Board**”) to the extent permitted by law, and subject to the covenants (financial or otherwise) in the agreements to which the Company is a party. The declaration and payment of dividends (except stock dividends) do not require any further approval from the shareholders. Some of the Company’s existing loan agreements contain covenants that restrict the declaration or

payments of dividends under certain circumstances, such as the occurrence of an event of default under such loan agreements or if such payment would cause an event of default to occur, if certain financial ratios are not met or payment would cause them not to be met. See “*Description of the Offer Shares*” in the Prospectus.

Cash dividends on the Initial Offer Shares will be payable once for every Dividend Period (as defined below) on such date set by the Board at the time of declaration of such dividends (each a “**Dividend Payment Date**” in accordance with the terms and conditions of the Offer Shares, which date shall be any day within the period commencing on (and including) the last day of a Dividend Period and 15 calendar days from the end of the relevant Dividend Period. A “**Dividend Period**” shall refer to the period commencing on the relevant issue date and having a duration of three (3) months, and thereafter, each of the successive periods of three (3) months commencing on the last day of the immediately preceding Dividend Period up to, but excluding the first day of the immediately succeeding Dividend Period; provided that, the first Dividend Period of the Offer Shares shall be the period commencing on the Issue Date and ending on the last day of the then current dividend period for the outstanding Series 2 Preferred Shares. If a Dividend Payment Date occurs after the end of a Dividend Period, there shall be no adjustment to the amounts of dividends to be paid.

The dividends on the Series 2-J Preferred Shares will be calculated on a 30/360-day basis.

If the Dividend Payment Date is not a Banking Day, dividends will be paid on the next succeeding Banking Day, without adjustment as to the amount of dividends to be paid.

As and if cash dividends are declared by the Board, cash dividends on the Series 2-J Preferred Shares shall be at the fixed rate of 4.75% per annum calculated for each share by reference to the Offer Price thereof in respect of each Dividend Period (each, the “*Initial Dividend Rate*” for the relevant series).

Dividend Rate means (a) from the Issue Date up to the Step Up Date, the Initial Dividend Rate, and (b) from the Step Up Date, until the date the Series 2-J Preferred Shares are redeemed, the higher of the Initial Dividend Rate and the Step Up Rate. (Please see below relevant definitions.)

Unless the Series 2-J Preferred Shares are redeemed by the Issuer on the fifth (5th) anniversary of the Issue Date (“**Step Up Date**”) or on the next Banking Day in case the redemption date falls on a non-Banking Day, the dividends on the Series 2-J Preferred Shares will be adjusted to the higher of the (a) applicable Initial Dividend Rate; or (b) the simple average of the closing per annum rates of the 10-year BVAL (or if the 10-year BVAL is not available or cannot be determined, any such successor rate as determined by the Bankers Association of the Philippines (“**BAP**”) or the *Bangko Sentral ng Pilipinas* (“**BSP**”)), as shown on the PDEX page (or such successor page) of Bloomberg (or such successor electronic service provider) for three consecutive days ending on (and including) the fifth (5th) anniversary from Issue Date, plus 5.00% (the “**Step Up Rate**”); provided, that in the event the Series 2-J Redemption Date falls on a day that is not a Banking Day,

- (a) the rate setting will be done on the immediately succeeding Banking Day using the average of the 10-year BVAL rates for the three (3) consecutive Banking Days preceding and inclusive of the said rate setting date; and
- (b) the higher of the applicable Initial Dividend Rate and the applicable Step-Up Rate will be applied commencing on the Step Up Date.

For further discussion, please refer to section on “*Summary of the Offering*”.

Dividends on the Series 2-J Preferred Shares will be cumulative. If for any reason the Issuer’s Board does not declare dividends on the Series 2-J Preferred Shares for a Dividend Period, the Issuer will not pay dividends on the Dividend Payment Date for the Dividend Period. However, on any future Dividend Payment Date on which dividends are declared, holders of the Series 2-J Preferred Shares must receive the dividends due them on such Dividend Payment Date as well as all dividends accrued and unpaid to the holders of the Series 2-J Preferred Shares prior to such Dividend Payment Date. See “*Description of the Offer Shares*” in the Prospectus.

As and if approved by the Board, the Issuer may redeem the Series 2-J Preferred Shares in whole (not in part) on the third (3rd) anniversary from Issue Date or on the last day of any Dividend Period thereafter (each an “**Optional Redemption Date**”) at the redemption price (the “**Redemption Price**”) equal to the Offer Price of the Series 2-J Preferred Shares plus all dividends due them on the actual date of redemption as well as all accumulated dividends due and payable (“**Arrears of Dividends**”), after deduction of transfer costs customarily chargeable to stockholders, as applicable, to effect the redemption.

For the avoidance of doubt, on the applicable Optional Redemption Date, the Issuer has the option to redeem, in whole but not in part, the Series 2-J Preferred Shares.

In the event an Optional Redemption Date which the Issuer has chosen as the date to redeem the Series 2-J Preferred Shares falls on a day that is not a Banking Day, the redemption shall be made on the next succeeding day that is a Banking Day, without adjustment as to the Redemption Price and the amount of dividends to be paid.

The Issuer may also redeem the Series 2-J Preferred Shares, in whole but not in part, at any time prior to any Optional Redemption Date if an Accounting Event or a Tax Event (each as defined below) has occurred and is continuing. The redemption due to an Accounting Event or a Tax Event shall be made by the Issuer at the Redemption Price.

Upon listing on the PSE, the Issuer reserves the right to purchase the Series 2-J Preferred Shares at any time in the open market or by public tender or by private contract at any price through PSE without any obligation to purchase or redeem the other Series 2-J Preferred Shares. The Series 2-J Preferred Shares so purchased may either be redeemed (pursuant to their terms and conditions as set out in the Prospectus and this Offer Supplement) and cancelled or kept as treasury shares, as applicable. The Series “2” Preferred Shares are re-issuable.

All payments in respect of the Series 2-J Preferred Shares are to be made free and clear of any deductions or withholding for or on account of any present or future taxes or duties imposed by or on behalf of the Government of the Republic of the Philippines (the “**Government**”), including, but not limited to, stamp, issue, registration, documentary, value added or any similar tax or other taxes and duties, including interest and penalties. If such taxes or duties are imposed, the Issuer will pay additional amounts so that the holders of Series 2-J Preferred Shares will receive the full amount of the relevant payment which otherwise would have been due and payable, provided, however, that the Issuer shall not be liable for (a) any withholding tax applicable on dividends earned or on any amounts payable to the holders of the Preferred Shares, including any additional tax on such dividends imposed by changes in law, rule, or regulation; (b) any income tax (whether or not subject to withholding); percentage tax (such as stock transaction tax), documentary stamp tax or other applicable taxes on the redemption (or receipt of the redemption price) of the Series 2-J Preferred Shares or on the liquidating distributions as may be received by a holder of the Series 2-J Preferred Shares; (c) any expanded value added tax which may be payable by any holder of the Series 2-J Preferred Shares on any amount to be received from the Issuer under the terms and conditions of the Series 2-J Preferred Shares; (d) any withholding tax, including any additional tax imposed by change in law, rules, or regulation, on any dividend payable to any holder of the Series 2-J Preferred Shares or any entity which is a non-resident foreign corporation; and (e) any applicable taxes on any subsequent sale or transfer of the Series 2-J Preferred Shares by any holder of the Series 2-J Preferred Shares which shall be for the account of the said holder (or the buyer in case such buyer shall have agreed to be responsible for the payment of such taxes).

In the event payments in respect of the Series 2-J Preferred Shares become subject to additional withholding or any new tax as a result of certain changes in law, rule or regulation, or in the interpretation thereof, and such tax cannot be avoided by use of reasonable measures available to the Issuer, the Issuer may redeem the Series 2-J Preferred Shares at any time in whole but not in part, at the Offer Price plus all accrued and unpaid dividends, if any (“**Redemption by reason of Tax Event**”). See “*Summary of the Offering*” in this Offer Supplement and “*Description of the Offer Shares*” in the Prospectus.

Documentary stamp tax for the issuance of the Series 2-J Preferred Shares and the documentation, if any, shall be for the account of the Issuer.

In the event an opinion of a recognized accountancy firm authorized to perform auditing services in the Government has been delivered to the Issuer stating that there is more than an insubstantial risk that the Series 2-J Preferred Shares may no longer be recorded as equity in the audited consolidated financial statements of the Issuer prepared in accordance with Philippine Financial Reporting Standards (“**PFRS**”), or such other accounting standards which succeed PFRS as adopted by the Issuer for the preparation of its audited consolidated financial statements for the relevant financial year, and such event cannot be avoided by use of reasonable measures available to the Issuer, the Issuer may redeem the Series 2-J Preferred Shares in whole, but not in part, at the Redemption Price (“**Redemption by reason of an Accounting Event**”). See “*Summary of the Offering*” in this Offer Supplement and “*Description of the Offer Shares*” in the Prospectus.

The obligations of SMC under the Series 2-J Preferred Shares are unsecured and are subordinated obligations to all of the indebtedness of the Company. The rights and claims of holders of the Series 2-J Preferred Shares will (subject to the extent permitted by law) rank senior to the holders of the common shares of the Company and *pari passu* with the other preferred shares.

In the event of the winding-up of the Company, the Series 2-J Preferred Shares rank junior in right of payment to all indebtedness of the Company and junior in right of payment to securities of, or claims against, the Company which rank or are expressed to rank senior to the Initial Offer Shares. The Initial Offer Shares, however, rank in *pari passu* with other preferred shares. There is a substantial risk that an investor in the Initial Offer Shares will not receive any return of the principal amount or any unpaid amounts due under the terms of the Offer unless SMC can satisfy in full all of its other obligations ranking senior to the Initial Offer Shares.

There are no terms in the Initial Offer Shares that limit the ability of SMC to incur additional indebtedness, including indebtedness that ranks senior to or *pari passu* with the Initial Offer Shares. See “*Summary of the Offering*” in this Offer Supplement and “*Description of the Offer Shares*” in the Prospectus.

The Series 2-J Preferred Shares will be issued in scripless form. Settlement of the Series 2-J Preferred Shares in respect of any transfer or change of title of the Series 2-J Preferred Shares, including the settlement of documentary stamp taxes, if any, arising from subsequent transfers, shall be similar to the transfer of title and settlement procedures for listed securities on the PSE. If the Series 2-J Preferred Shares are subsequently uplifted and issued in certificated form, title to the Series 2-J Preferred Shares shall pass by endorsement and delivery to the transferee and registration in the registry of shareholders to be maintained by SMC Stock Transfer Service Corporation, the Registrar and Stock Transfer Agent. See “*Summary of the Offering*” in this Offer Supplement.

The gross proceeds from the Base Offer shall be ₱10,000,005,000.00 or, should the Joint Issue Managers, Joint Lead Underwriters and Bookrunners, in consultation with the Issuer, exercise in full its Oversubscription Option, ₱20,000,000,025.00. The net proceeds from the Base Offer, after deducting from the gross proceeds the total issue management, underwriting and selling fees, listing fees, taxes and other related fees and out-of-pocket expenses, is estimated to be ₱9,927,122,349.93.
