Re: **Reconsideration of Imposition of a Penalty and
Payment of a Penalty Under Protest**

Gentlemen:

Please be advised that the Corporation requested the Office of the General Accountant (OGA) of the Securities and Exchange Commission (SEC) to reconsider the imposition of the penalty on the Corporation on the ground that misclassification of the cash flow was an inadvertent error which did not have an impact on the consolidated statement of financial position and statement of income (balance sheet and income statement) of the Corporation and does not merit the imposition of such penalty. The Corporation paid the penalty today under protest.

Very truly yours,

Virgilio S. Jacinto
General Counsel and
Compliance Officer
