BOND RATING

The Offer Bonds have been rated PRS Aaa by PhilRatings. PRS Aaa is the highest rating assigned by PhilRatings. The ratings and the corresponding outlook were assigned given the following key considerations: (1) the well-entrenched market leadership of SMC's diversified portfolio of businesses; (2) the Company's highly experienced management team; (3) its improved profitability, driven by the sustained recovery of its major businesses; and (4) its adequate liquidity, supported by stable cash flow generation. PhilRatings also noted that the proposed bond issuance will not result in an additional debt burden for this round of issuance, as the proceeds will be used for refinancing. The issuance will also replace short-term loans, enabling SMC to lengthen the tenor of its debt.

A rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the assigning rating agency.

The rating is subject to regular annual review, or more frequently as market developments may dictate, for as long as the Offer Bonds are outstanding. After Issue Date, the Trustee shall monitor the compliance of the Offer Bonds with the regular annual reviews.

- (a) transfers across Tax Categories on a date other than on an Interest Payment Date that falls on a Business Day; provided, however, that transfers from a tax-exempt Tax Category to a taxable Tax Category on a date other than an Interest Payment Date shall be allowed using the applicable tax rate on PDEX, ensuring

the computations are based on the final withholding tax rate of the taxable party to the trade. Should this transaction occur, the tax-exempt person shall be treated as being of the same Tax Category as its taxable counterparty for the interest period within which such transfer occurred; provided, finally, that this restriction shall be in force until a Non-Restricted Trading & Settlement Environment for Corporate Securities is implemented. For purposes hereof, “**Tax Categories**” shall refer to the four (4) final withholding tax categories in the PDEX system covering, particularly, tax-exempt persons, 20% tax-withheld persons, 25% tax-withheld persons, and 30% tax-withheld persons, as such categories may be revised, amended or supplemented by PDEX in accordance with its rules and Applicable Law;

- (b) transfers by Bondholders with deficient documents; and
- (c) transfers during a Closed Period. For purposes hereof, “**Closed Period**” means a period during which the Registrar shall not register any transfer or assignment of the Offer Bonds, specifically: (i) the period of two (2) Business Days preceding any Interest Payment Date or the due date for any payment of the Final Redemption Amount of the Offer Bonds; or (ii) the period when any of the Offer Bonds have been previously called for redemption.

Transfers taking place in the Registry of Bondholders after the Offer Bonds are listed on PDEX may be allowed between taxable and tax-exempt entities without restriction and observing the tax exemption of tax-exempt entities, if/and or when so allowed under and in accordance with the relevant rules, conventions and guidelines of PDEX and PDTC.

A Bondholder claiming tax-exempt status is required to submit to the Registry of Bondholders the required tax-exempt documents as detailed in the Registry and Paying Agency Agreement upon submission of the account opening documents to the Registrar and Paying Agent. Please see the sections on “*Description of the Offer Bonds – Tax-Exempt Status or Entitlement to Preferential Tax Rate*” for a detailed discussion on the requirements for claiming a preferential tax status.

Notwithstanding the submission by the Bondholder, or the receipt by the Issuer, the Registrar and Paying Agent, the Joint Issue Managers, Joint Lead Underwriters and Bookrunners of documentary proof of tax-exempt status of a Bondholder, the Issuer may, in its sole and reasonable discretion, determine that such Bondholder is taxable and require the Registrar and Paying Agent to proceed to apply the tax due on the Offer Bonds. Any question on such determination shall be referred to the Issuer.

The Bondholders shall be responsible for monitoring and accurately reflecting their tax status in the Registry of Bondholders. The payment report to be prepared by the Registrar and Paying Agent and submitted to the Issuer in accordance with the Registry and Paying Agency Agreement, which shall be the basis of payments on the Offer Bonds on any Interest Payment Date, shall reflect the tax status of the Bondholders as indicated in their accounts as of the Record Date.

Secondary Trading of the Offer Bonds

The Issuer intends to list the Offer Bonds on PDEX for secondary market trading and, for that purpose, the Issuer has filed an application for such listing. However, there can be no assurance that such a listing will actually be achieved or whether such a listing will materially affect the liquidity of the Offer Bonds on the secondary market. Such listing would be subject to the Issuer’s execution of a listing agreement with PDEX that may require the Issuer to make certain disclosures, undertakings and payments on an ongoing basis.

For so long as any of the Offer Bonds are listed on PDEX, the Offer Bonds will be traded in a minimum board lot size of ₱10,000.00, and in multiples of ₱10,000.00 in excess thereof. Secondary market trading in PDEX shall follow the applicable PDEX Rules governing trading and settlement between Bondholders of different tax status, and shall be subject to the relevant fees of PDEX and PDTC, all of which shall be for the account of the Bondholders.

Ranking

The Offer Bonds shall constitute the direct, unconditional, unsecured and unsubordinated obligations of the Issuer ranking at least *pari passu* and ratably without any preference or priority among themselves and at least *pari passu* with all its other present and future, unsecured and unsubordinated Debt of SMC, contingent or otherwise, other than Debt mandatorily preferred by law, and preferred claims under any bankruptcy, insolvency, reorganization,

moratorium, liquidation or other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity (but not the preference or priority established by Article 2244(14)(a) of the Civil Code of the Philippines).

INTEREST AND INTEREST PAYMENT DATES

Interest

The Series J Bonds shall have a term of five (5) years from Issue Date with a fixed interest rate equivalent to [●]% per annum.

The Series K Bonds shall have a term of seven (7) years from Issue Date with a fixed interest rate equivalent to [●]% per annum.

Interest Payment Dates

The Offer Bonds shall bear interest on its principal amount from and including the Issue Date, payable quarterly in arrears starting on [May 21, 2022] as the first Interest Payment Date, and on [August 21], [November 21], [February 21], and [May 21] of each year at which the Offer Bonds are outstanding as the subsequent Interest Payment Dates, or the subsequent Business Day, without adjustment to the amount of interest due, if the relevant Interest Payment Date falls on a non-Business Day.

The cut-off date in determining the existing Bondholders entitled to receive interest or any other amount due under the Offer Bonds shall be two (2) Business Days prior to the relevant Interest Payment Date or such other date as the Issuer may duly notify PDTC (the "**Record Date**"). The Record Date shall be the reckoning date in determining the Bondholders entitled to receive interest or any other amount due under the Offer Bonds.

Interest Accrual

The Offer Bonds shall cease to bear interest from and including the Maturity Date, as defined in the discussion on "*Description of the Offer Bonds - Final Redemption*" below, unless (a) the Offer Bonds are redeemed at an earlier date in accordance with the terms and conditions of the Offer Bonds, or (b) upon due presentation, payment of the principal in respect of the Offer Bonds then outstanding is not made, is improperly withheld or refused, in which case the Penalty Interest (see "*Description of the Offer Bonds - Penalty Interest*" below) shall apply.

Determination of Interest

Interest on the Offer Bonds shall be calculated on a European 30/360 day count basis, regardless of the actual number of days in a month.

REDEMPTION AND PURCHASE

Final Redemption

Unless otherwise earlier redeemed or purchased and cancelled, the Offer Bonds shall be redeemed at par or 100% of face value on its Maturity Date. However, if the Maturity Date is not a Business Day, payment of all amounts due on such date will be made by the Issuer through the Paying Agent, without adjustment for accrued interest, on the succeeding Business Day.

Each Bondholder in whose name the Offer Bonds are registered in the Registry of Bondholders at the close of business on the Record Date preceding the Maturity Date shall be entitled to receive the principal amount of the Offer Bonds. In all cases, repayment of principal shall be remitted to the Bondholders in accordance with the terms of the Registry and Paying Agency Agreement.

Optional Redemption

The Issuer shall have the right, but not the obligation, to redeem in whole (but not in part) the outstanding Offer Bonds on the dates set out below (each an "**Optional Redemption Date**"):

Series J Bonds	
Optional Redemption Dates	Optional Redemption Price
On the 3 rd anniversary of the Issue Date and every Interest Payment Date thereafter.	100.50%

Series K Bonds	
Optional Redemption Dates	Optional Redemption Price
On the 5 th anniversary of the Issue Date and every Interest Payment Date thereafter.	101.0%
On the 6 th anniversary of the Issue Date and every Interest Payment Date thereafter.	100.5%

provided, that if the relevant Optional Redemption Date falls on a day that is not a Business Day, then the payment of accrued interest and the Optional Redemption Price shall be made by the Issuer on the next Business Day, without adjustment to the amount of interest and Optional Redemption Price to be paid. For the avoidance of doubt, the Bondholders shall not have any right to cause the Issuer to redeem the Offer Bonds pursuant to this Optional Redemption.

The amount payable to the Bondholders upon the exercise of the Optional Redemption by the Issuer shall be calculated, based on the principal amount of Offer Bonds being redeemed, as the sum of: (i) accrued interest computed from the last Interest Payment Date up to the relevant Optional Redemption Date; and (ii) the product of the principal amount of the Offer Bonds being redeemed and the Optional Redemption Price in accordance with the above table.

The Issuer shall give no more than 60 nor less than 30 days' prior written notice to the Trustee, Registrar and Paying Agent of its intention to redeem the Offer Bonds, which notice shall be irrevocable and binding upon the Issuer to effect such early redemption of the Offer Bonds on the Optional Redemption Date stated in such notice. Upon receipt by the Trustee of such notice, the Trustee through the Issuer shall secure from the Registrar and Paying Agent an updated list of Bondholders as of the Record Date indicated in the notice from the Issuer and provide written notices to all registered Bondholders of the intended early redemption. Each Bondholder in whose name the Offer Bonds subject of the early redemption are registered in the Registry of Bondholders at the close of business on the relevant Record Date shall be entitled to receive the interest and Optional Redemption Price. The Issuer shall pay the Bondholders in accordance with the terms of the Registry and Paying Agency Agreement.

Redemption for Taxation Reasons

If payments under the Offer Bonds become subject to additional or increased taxes other than the taxes and rates of such taxes prevailing on the Issue Date as a result of certain changes in law, rules or regulation, or in the interpretation thereof, and such additional or increased rate of such tax cannot be avoided by use of reasonable measures available to the Issuer, the Issuer may redeem the Offer Bonds in whole, and not in part only, on any Interest Payment Date (having given not more than 60 nor less than 30 days' prior written notice to the Trustee, Registrar and Paying Agent) at par (or 100% of the face value) and paid together with the accrued interest thereon, subject to the requirements of Applicable Law; provided that if the Issuer does not redeem the Offer Bonds, then all payments of principal and interest in respect of the Offer Bonds shall be made free and clear of, and without withholding or deduction for, any such new or additional taxes, duties, assessments or governmental charges, unless such withholding or deduction is required by Applicable Law. In that event, the Issuer shall pay to the Bondholders concerned such additional amount as will result in the receipt by such Bondholders of such amounts as would have been received by them had no such withholding or deduction for new or additional taxes been required.

Upon receipt by the Trustee of a written notice from the Issuer hereunder, the Trustee through the Issuer shall secure from the Registrar and Paying Agent an updated list of Bondholders as of the Record Date indicated in the

notice from the Issuer and provide written notices to all registered Bondholders of the intended early redemption. Each Bondholder in whose name the Offer Bonds subject of the early redemption are registered in the Registry of Bondholders at the close of business on the Record Date shall be entitled to receive the principal of the Offer Bonds subject of the early redemption and the interest accrued thereon. The Issuer shall pay the Bondholders in accordance with the terms of the Registry and Paying Agency Agreement.

Redemption by Reason of Change in Law or Circumstance

Upon the occurrence of a Change in Law or Circumstance (as enumerated below), the Issuer may redeem the Offer Bonds in whole, but not in part, having given not more than 60 days nor less than 30 days' prior written notice to the Trustee, the Registrar and the Paying Agent, at 100% of the face value and paid together with the accrued interest thereon.

The following events shall be considered as changes in law or circumstance (“**Change in Law or Circumstance**”) as it refers to the obligations of the Issuer and to the rights and interests of the Bondholders under the Trust Agreement:

- (a) any government and/or non-government consent, license, authorization, registration or approval now or hereafter necessary to enable the Issuer to comply with its obligations under the Trust Agreement or the Offer Bonds shall be modified, withdrawn or withheld in a manner which will materially and adversely affect the ability of the Issuer to comply with such obligations;
- (b) any provision of the Bond Agreements (in whole or in part) is or becomes, for any reason, invalid, illegal or unenforceable to the extent that it becomes for any reason unlawful for the Issuer to give effect to its rights or obligations thereunder or to enforce any provision thereunder; or any law is introduced or any existing Applicable Law is modified or rendered ineffective or inapplicable to prevent or restrain the performance by the Issuer of its obligations under the Bond Agreements;
- (c) any concession, permit, right, franchise or privilege required for the conduct of the business and operations of the Issuer shall be revoked, cancelled or otherwise terminated, or the free and continued use and exercise thereof shall be curtailed or prevented, in such manner as to materially and adversely affect the financial condition or operations of the Issuer; or
- (d) the Philippines or any competent authority thereof takes any action to suspend the whole or a substantial portion of the operations of the Issuer and to condemn, seize, nationalize or appropriate (either with or without compensation) the Issuer or any material portion of its properties or assets, unless such act, deed or proceedings are contested in good faith by the Issuer or the same does not materially and adversely affect the financial condition or operations of the Issuer.

Upon receipt by the Trustee of a written notice from the Issuer on the occurrence of any Change in Law or Circumstance, the Trustee shall secure from the Registrar an updated list of Bondholders as of the Record Date indicated in the notice from the Issuer and provide written notices to all registered Bondholders of the intended early redemption. Each Bondholder in whose name the Offer Bonds subject of the early redemption are registered in the Registry of Bondholders at the close of business on the Record Date shall be entitled to receive the principal of the Offer Bonds subject of the early redemption and the interest accrued thereon. The Issuer shall pay the Bondholders in accordance with the terms of the Registry and Paying Agency Agreement.

Accrued interest on the Offer Bonds to be redeemed under this section for the last Interest Payment Date up to the redemption date shall be calculated on the basis of a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the number of days elapsed on the basis of a month of 30 days.

The Bondholders shall not have any right to cause the Issuer to redeem the Offer Bonds pursuant to a Change in Law or Circumstance under this section.

Purchase and Cancellation

The Issuer may purchase the Offer Bonds at any time in the open market or by tender or by contract, in accordance with PDEX Rules, as may be amended from time to time, without any obligation to make *pro rata* purchases from all Bondholders. Offer Bonds so purchased shall be redeemed and cancelled and may not be re-issued.

Upon listing of the Offer Bonds on PDEX, the Issuer shall disclose any such transaction in accordance with the applicable PDEX disclosure rules.

Payments

The principal of, interests on, and all other amounts payable on the Offer Bonds shall be paid to the Bondholders through the Paying Agent. The Paying Agent shall credit the proper amounts received from the Issuer via RTGS, net of final taxes and fees (if any), to the cash settlement banks of the Bondholders (nominated by the Bondholders in the Application to Purchase or as the Bondholder may notify the Paying Agent in writing), for onward remittance to the relevant cash settlement account of the Bondholder with the cash settlement bank. The principal of, interest on, and all other amounts payable on the Offer Bonds shall be payable in Philippine Pesos.

In the event that the details of the cash settlement account indicated by the Bondholder in the Application to Purchase are incomplete or erroneous, or the cash settlement account of the Bondholders has been closed or is dormant or inexistent, due to which payments to the Bondholders cannot be effected in a timely manner, the cash settlement bank shall handle such funds in accordance with its own internal procedures until the correction of the cash settlement account is effected and until credit of the relevant cash entitlement is completed. In these cases, the Issuer and the Paying Agent shall not be liable to the relevant Bondholder for any failure or delay in the Bondholder's receipt of such payments.

Upon credit of the funds indicated in the payment report, the obligation of the Issuer to deliver payment on the relevant Payment Date in accordance with the Registry and Paying Agency Agreement is discharged and the Issuer shall be held free and harmless from any losses, claims, damages, liabilities and expenses arising from or in relation to the non-receipt by the Bondholder of the interest, the Final Redemption Amount and/or such other payments due on the Offer Bonds, unless such non-receipt by the Bondholder is solely and directly attributable to the fault or negligence of the Issuer.

The Issuer shall ensure that so long as any of the Offer Bonds remain outstanding, there shall at all times be a Paying Agent for the purposes of the Offer Bonds, and the Issuer or the Paying Agent may only terminate the appointment of the Paying Agent as provided in the Registry and Paying Agency Agreement. In the event the appointed office of any institution shall be unable or unwilling to continue to act as the Paying Agent, the Issuer shall appoint such other leading institution in the Philippines authorized to act in its place.

Payment of Additional Amounts – Taxation

Interest income on the Offer Bonds is subject to a withholding tax at rates of between 10% and 25% depending on the tax status of the Bondholder under relevant law, regulation or tax treaty. Except for such withholding tax and as otherwise provided, all payments of principal and interest are to be made free and clear of any deductions or withholding for or on account of any present or future taxes or duties imposed by or on behalf of the Philippines, including, but not limited to, issue, registration or any similar tax or other taxes and duties, including interest and penalties, if any. If such taxes or duties are imposed, the same shall be for the account of the Issuer; provided, however, that the Issuer shall not be liable for the following:

- (a) the withholding tax applicable on interest earned on the Offer Bonds prescribed under the Tax Code, as amended, and its implementing rules and regulations as may be in effect from time to time; provided, further, that all Bondholders are required to provide the Issuer through the Bondholders' Selling Agent or PDEX Trading Participant and endorsed to the Registrar and Paying Agent their validly issued tax identification numbers issued by the BIR;
- (b) Gross Receipts Tax under Section 121 of the Tax Code;
- (c) taxes on the overall income of any securities dealer or Bondholder, whether or not subject to withholding;
- (d) Value-Added Tax under Sections 106 to 108 of the Tax Code, and as amended by Republic Act No. 9337 and Republic Act No. 10963; and
- (e) any applicable taxes on any subsequent sale or transfer of the Offer Bonds by any holder which shall be for the account of such holder (or its buyer, as the holder and the buyer may have agreed upon).

Documentary stamp tax for the primary issue of the Offer Bonds and the execution of the Bond Agreements, if any, shall be for the Issuer's account.

Please see the section on "*Taxation*" in the Prospectus for a more detailed discussion on the tax consequences of the acquisition, ownership, and disposition of the Offer Bonds.

Tax-Exempt Status or Entitlement to Preferential Tax Rate

An investor who is exempt from the aforesaid withholding tax or is subject to a preferential withholding tax rate shall be required to submit the following requirements to the Registrar and Paying Agent, subject to acceptance by the Issuer as being sufficient in form and substance:

- (a) BIR-certified true copy of a valid, current and subsisting tax exemption certificate, ruling or opinion issued by the BIR and addressed to the relevant applicant or Bondholder, confirming its exemption or its entitlement to the preferential rate, as required under BIR Revenue Memorandum Circular No. 8-2014 including any clarification, supplement or amendment thereto;
- (b) with respect to tax treaty relief
 - (i) a non-resident Bondholder may signify its intention to claim preferential tax rate under the relevant tax treaty by submitting to the Issuer the Application Form for Treaty Purposes (BIR Form 0901) and Tax Residency Certificate duly issued by the foreign tax authority, and the relevant provision of the applicable tax treaty, and such other documentary requirements enumerated in BIR Revenue Memorandum Order No. 14-2021. For the avoidance of doubt, the Issuer shall retain sole discretion in determining whether the non-resident Bondholder is entitled to the preferential tax treaty rate based on the documents submitted by the non-resident Bondholder, provided that all the conditions for the availment thereof, other than residency, have been satisfied;
 - (ii) in the event that the Issuer determines that the non-resident Bondholder is not entitled to the preferential tax treaty rate based on the documents submitted in item (i) above and determines that all conditions for the availment have not been satisfied, the Issuer shall apply the regular tax rates;
 - (iii) the non-resident Bondholder may apply for preferential tax treaty rate with the BIR in accordance with BIR Revenue Memorandum Order No. 14-2021;
 - (iv) the Issuer shall not apply for any confirmatory application of preferential tax rates with the BIR;
 - (v) should the BIR grant the application for tax treaty relief, it is the obligation of the non-resident Bondholder to apply for refund with the BIR. The Issuer shall not refund the non-resident Bondholder any amount as a result of the application of the higher tax rate;
 - (vi) the non-resident Bondholder must update its BIR Certificate annually, if applicable, as described in BIR Revenue Memorandum Order No. 14-2021. Expired BIR Certificates will not be accepted by the Issuer; and
 - (vii) the non-resident Bondholder shall submit its Tax Residency Certificate annually to the Issuer as continuing proof of its entitlement to the preferential tax treaty rate. Absent such updated Tax Residency Certificate, the Issuer shall apply the regular tax rate.
- (c) a duly notarized undertaking executed by (i) the corporate secretary or any authorized representative of such applicant or Bondholder, who has personal knowledge of the exemption based on his official functions, if the Applicant purchases, or the Bondholder holds, the Offer Bonds for its account, or (ii) the trust officer, if the applicant is a universal bank authorized under Philippine law to perform trust and fiduciary functions and purchase the Offer Bonds pursuant to its management of tax-exempt entities (*i.e.* Employee Retirement Fund, etc.), declaring and warranting such entities' tax-exempt status or preferential rate entitlement, undertaking to immediately notify the Issuer, the Registrar and the Paying Agent (1) of any suspension, revocation, amendment or invalidation (in whole or in part) of the tax

exemption certificate, ruling or opinion issued by the BIR, executed using the prescribed form under the Registry and Paying Agency Agreement; (2) if there are any material changes in the factual circumstances of the Bondholder including but not limited to its character, nature, and method of operation, which are inconsistent with the basis for its income tax exemption; or (3) if there are any change of circumstance, relevant treaty, law or regulation or any supervening event that may or would result in the interest income of the Offer Bonds being ineligible for exemption or preferential rate, with a declaration and warranty of its tax-exempt status or entitlement to a preferential tax rate, and agreeing to indemnify and hold the Issuer, the Registrar and the Paying Agent free and harmless against any claims, actions, suits, and liabilities resulting from the non-withholding or incorrect withholding of the required tax, provided, that in case of corporate, partnership or trust account investors, such Bondholder shall also submit an original certification from the corporate secretary or an equivalent officer of the investor, setting forth the resolutions of its board of directors or equivalent body authorizing the execution of the undertaking and designating the signatories, with their specimen signatures, for the said purpose; and

- (d) such other documentary requirements as may be reasonably required by the Issuer or the Registrar or Paying Agent, or as may be required under the applicable regulations of the relevant taxing or other authorities; provided, that, the Issuer shall have the exclusive discretion to decide whether the documents submitted are sufficient for purposes of applying the exemption or the reduced rate being claimed by the Bondholders on the Interest payments to such Bondholders.

Unless otherwise indicated above, the foregoing requirements shall be submitted, (i) in respect of an initial issuance of Offer Bonds, upon submission of the Application to Purchase to the Joint Issue Managers, Joint Lead Underwriters and Bookrunners or Selling Agents (if any) who shall then forward the same to the Registrar; or (ii) in respect of a transfer from a Bondholder to a purchaser, to the Registrar upon submission of the account opening documents.

Failure on the part of the Bondholder to submit the aforementioned document/s within the time prescribed shall result in the application of the regular tax rates.

FINANCIAL RATIO

The Issuer may incur Debt if, on the Transaction Date, after giving effect to the incurrence of such Debt, but not giving any effect to the receipt or application of proceeds therefrom, the ratio of the Consolidated Net Debt to Consolidated Total Equity shall be equal to or less than 2.10x, and Consolidated EBITDA to Consolidated Total Interest Expense shall be equal to or more than 2.00x.

NEGATIVE PLEDGE

Notice of Default

The Trustee shall, within five (5) Business Days after receipt of written notice from the Issuer or the Majority Bondholders of the occurrence of an Event of Default, give to all the Bondholders written notice of any such Event of Default unless the same shall have been cured before the giving of such notice; provided, that in the case of a Payment Default (as described in paragraph (a) of the “*Description of the Offer Bonds – Events of Default*”) the Trustee shall immediately notify the Bondholders upon the occurrence of such Payment Default.

Upon the occurrence of any Event of Default, and provided that there has been a Declaration of Default and acceleration of payment of the Offer Bonds by the Majority Bondholders, then in any such case:

- (a) the Issuer will pay the Bondholders, through the Registrar and Paying Agent, the whole amount which shall then have become due and payable on such outstanding Bonds with interest at the rate borne by the Offer Bonds on the overdue principal and with Penalty Interest, where applicable, based on the payment report no later than the Default Payment Date. The foregoing discussion represents a best estimate of the use of proceeds of the Offer based on the Company’s current plans and anticipated expenditures. In the event there is any change in the Company’s development plan, including force majeure, market conditions and other circumstances, the Company will carefully evaluate the situation and may reallocate the proceeds for future investments or other uses, and/or hold such funds in investments, whichever is better for the Company’s and its shareholders’ interest taken as a whole. The Company’s cost estimates may also change as these plans are developed further, and actual costs may be different from budgeted costs. For these reasons, timing and actual use of the net proceeds may vary from the foregoing discussion and the Company’s management may find it necessary or advisable to alter its plans. In the event of any substantial deviation, adjustment or reallocation in the planned use of proceeds, the Company shall inform the SEC and the stockholders in writing at least 30 days before such deviation, adjustment or reallocation is implemented.
